9 DEBUT WORK

I put it in there because I had some pages left (laugh)
Those of you who've only read Mackawa in Ani-Yoko probably don't know, but my debut work wasn't a comedy!!! Heehee
I drew a few more works after this, too
But I'll write about them at a later date. (laugh) Really?
I'm drawing comedy because of my Tantou's tactics (laugh)
I got the title from a song by Kazumasa Oda. Because I liked it (What kind of a reason is that?) I was pretty inexperienced and it looks like "Ack?!!" But it's an unforgettable work that made my debut
At first, the genders of everyone but the father was opposite, but during the storyboarding, the main character became a girl
It turned out all right, though!!
It's on p 159, but please don't expect comedy You'll be disappointed (laugh)
It's a normal love story
